We strive to comply with best practices and standards defined by Section 508 of the U.S. Rehabilitation Act.

Feedback

Accessibility and usability are not always possible in every area of the website for those using assistive technologies and devices. Despite our best efforts, limitations may exist. Please contact us if you encounter any barriers and we will assist in providing alternative options to facilitate access to any website content.

We welcome your feedback on the accessibility of our Temple ISD website and we will make every attempt to respond within one business day.
